ERRATA

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: CORRECTION TO FEDERAL AND STATE 60-MONTH TIME
LIMIT COMPARISON CHART

REFERENCES: ALL COUNTY LETTER (ACL) NO. 99-90, DATED
OCTOBER 21, 1999

This Errata is intended to correct information provided in a chart that was previously sent with ACL 99-90 and also transmits a corrected copy of the 60-Month Time Limit Comparison Chart.

In ACL 99-90, Attachment B, a 60-month time limit comparison chart that identified the differences between the federal and state 60-month time limits was provided to the counties as a reference guide. We have noted an error in this chart's description of the CalWORKs Exceptions – Time Extenders. The domestic abuse good cause waiver of the time limit was inadvertently included in the list of extender exceptions.

As stated in state regulations MPP Section 42-302.11, when an individual has been aided as an adult for 60 months, aid may continue when all parents, aided stepparents, and/or caretaker relatives residing in the home of the aided children meet any of the following conditions:

- **Advanced Age** – individual is 60 years of age or older.
- **Providing Care** – individual is exempt from welfare-to-work participation requirements because of inability to be regularly employed/participate due to caretaking responsibilities for an ill or incapacitated person residing in the home; a dependent child of the court; or a child at risk of placement in foster care.
- **Disabled** – individual is receiving State Disability Insurance, Temporary Disability Insurance, In-Home Supportive Services, or State Supplemental Program benefits and the disability impairs his/her ability to work or to participate.
- **Unable to Maintain Employment or Participate** – individual is unable to maintain employment or to participate in welfare-to-work activities, based on the county's assessment and finding that the individual has a history of participation and full cooperation in welfare-to-work activities.
- **Unaided** – individual is excluded from the AU for reasons other than exceeding the time limit.

Domestic abuse is not included in the list of criteria that all adults in an AU must meet so that an individual can receive aid beyond 60 months. However, in MPP 42-302.2, an individual who has been aided as an adult for 60 months may continue to receive aid when the individual is a victim of domestic abuse and the county has determined that good cause exists to waive the 60-month time limit. We would like to clarify that an individual's aid may be extended due to the domestic abuse good cause waiver without having all others in the AU meet an extender exception.

We apologize for any inconvenience this may have caused. If you have any questions regarding this matter, please contact Charissa S. Miguelino at (916) 657-3665.
